RESEARCH REVIEW™

Making Education Easy – Since 2006

WHAT WE OFFER

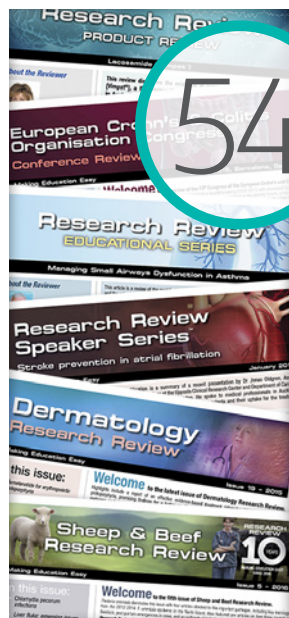

Research Review brings the most important clinical advancements to your inbox with advice and commentary from New Zealand specialists.

Publications are free to receive for health care professionals, keeping them up to date with their chosen clinical area.

The publications allow advertisers to support medical education and to communicate with unique treatment communities.

THE RESEARCH REVIEW ADVANTAGE

- ◉ **EMAIL DELIVERY** – publications emailed directly to the subscriber.
- ◉ **MULTIPLE CHANNEL DELIVERY** – direct, social media, web, medical society partners.
- ◉ **CUT-THROUGH** – small number of ads and pages per publication. Opportunity for exclusivity.
- ◉ **NO WASTED AD SPEND** – subscribers self-select interest areas.
- ◉ **LINK TO COMPANY WEBSITES** – adverts hyperlinked to company websites and PI.
- ◉ **HIGH PENETRATION** – 80-90% of New Zealand's specialists in each target area.
- ◉ **PERSONAL TOUCH** – most publications sent from expert's Research Review email. Subscribers have personal relationship with the expert and a high level of engagement.
- ◉ **PASS ON RATE** – publications have a pass-on readership factor of 1.5 to 1.7.
