RESEARCH REVIEW™

Making Education Easy – Since 2006

WHAT WE OFFER

Research Review brings the most important clinical advancements to your inbox with advice and commentary from New Zealand specialists.

Publications are free to receive for health care professionals, keeping them up to date with their chosen clinical area.

The publications allow advertisers to support medical education and to communicate with unique treatment communities.

THE RESEARCH REVIEW ADVANTAGE

- ◉ **EMAIL DELIVERY** – publications emailed directly to the subscriber.
- ◉ **MULTIPLE CHANNEL DELIVERY** – direct, social media, web, medical society partners.
- ◉ **CUT-THROUGH** – small number of ads and pages per publication. Opportunity for exclusivity.
- ◉ **NO WASTED AD SPEND** – subscribers self-select interest areas.
- ◉ **LINK TO COMPANY WEBSITES** – adverts hyperlinked to company websites and PI.
- ◉ **HIGH PENETRATION** – 80-90% of New Zealand's specialists in each target area.
- ◉ **PERSONAL TOUCH** – most publications sent from expert's Research Review email. Subscribers have personal relationship with the expert and a high level of engagement.
- ◉ **PASS ON RATE** – publications have a pass-on readership factor of 1.5 to 1.7.

PUBLICATION ADVERTISING FORMATS

- ⦿ **Please supply all material in CMYK high resolution PDF format** – use the Press Quality setting when producing the PDF.
- ⦿ **A Research Review advertisement specification PDF preset preference file is available for Adobe InDesign on request** – please email jamesarmstrong@researchreview.co.nz or suepeploe@researchreview.co.nz
- ⦿ **Please ensure all fonts are converted to paths** or embedded in document.
- ⦿ **Adverts/images must be 300dpi** – a file size of 1-2MB where possible.
- ⦿ **Advertisers are recommended to consider clear, simple adverts** and must be able to quantify any medical claims.

Only the Banner Strip sized format can appear on front page of Reviews. Other sizes will be placed from page 2 onwards.

WEBSITE ADVERTISING FORMATS

- ⦿ **Web banners must be 72dpi and sent as gif files** – size 170 x 315 pixels.
- ⦿ **If the banner is animated, please provide 2 copies;** the first with the Animation Loop set to 'forever' and the second with it set to 'once'.
- ⦿ **Advertisers are recommended to consider clear, simple adverts** and must be able to quantify any medical claims.
